

Magma | Table Lamp

Ascending through the mantle of the Earth, molten magma becomes colder, and forms rocks that are testaments to its living core. The Magma Table Lamp provides a poetical meditation on these elements, with its carefully layered composition. The geometrical foundation, in stone, serves as a base for a magma rock molded in brass casting. The light is framed by stylized fabric abat-jour.

AS PICTURED

MATERIALS & FINISHES

Base: Romano Travertine in natural finishing.
Cast brass: Antique Brass.
