

Lapa | Mirror

The Lapa Mirror emerges from the mineral memory of the Atlantic coastline. Framed in travertine, the piece preserves the organic texture of the limpet, shaped by erosion, wind and time. Between weight and reflection, matter and silence, Lapa reveals an elemental, almost archaeological presence, where the stone seems to hold the breath of the sea.

AS PICTURED

MATERIALS & FINISHES

Frame: Silver Travertine in natural finishing.

Mirror: Clear finishing.

As this piece is crafted from natural travertine, each item is unique. Variations in colour, veining, porosity, crystals and natural fissures are inherent to the material and are not considered defects. Therefore, they do not constitute grounds for claims, returns or exchanges.
